

AFFAIRS IN WOMAN'S SPHERE FOR WEEK BEFORE EASTER PROMISE TO BE INTERESTING BUT FEW

By OLLIE P. LANDSEN.

THE incoming week, Holy Week, will be attended by the usual quiet which comes with the days just preceding Easter. The events, however, which will mark the week are to be interesting though few in number, and there is any amount of interest attending the week-end.

The "county fair" given annually by the Young Women's Christian association in creases great interest and numbers at El Paso are enjoying the afternoon and evening at the Central Y. W. C. A. building, the scene of the affair.

For this evening there are scheduled a number of dances, including the week-end dances at the Teller club, to which members of the country club are invited for the evening, and the week-end dance at Fort Bliss, in the district army officers' club. A jazz band is to play for the dancing, which will be at 9 o'clock, and the officers of the 32nd Field artillery are to be in charge of the arrangements for the evening.

The Saturday evening dance will be given at the Community center, as usual, and a dance in the valley will be given at Mission hall, West Yuleta, in the afternoon, the fund for the Yuleta school playground. Numbers of El Pasoans are

under the auspices of the music department of the Women's club at the club, with Mrs. Walter Christie and Frank Chase as soloists. The club has thirty members.

H. D. Slater will on Wednesday morning at 10 o'clock give a talk to the students at the El Paso School for Girls.

On the evening of April 1, Thursday, the Women's club, said to be the finest orchestra of stringed instruments in the world, will appear at the Women's club under the direction of the Women's club. This is the last of three concerts which have marked the season at the club, and is being looked forward to with great interest.

The next meeting of Western Rebekah lodge No. 191 will take place on Friday, April 2, with Mrs. J. W. Amis as hostess at her home, 2122 Wyoming street.

On Saturday, April 3, Cornelia Branch Stone chapter of the Children of the Confederacy will meet with Mrs. P. D. Hylton.

Another party for Saturday April 3, will honor Miss Helen Mae Johnson and the hostesses for the afternoon will be Mrs. Grace Long, Ross and Mrs. Dorothy Long Hurley.

Beside the affairs announced, much of interest of a religious nature, will mark the week of holy memories preceding the glad Easter tide.

How To Judge a Diamond

SELECTION. For a lady's ring, nothing other than a blue-white or clear white diamond should be considered. For a gentleman's ring, stud or pin, a diamond bordering on yellow-white is sometimes preferred and is always permissible. These tints of blue and yellow are not at all imaginary—if they exist you can see them. As an investment, only diamonds of great brilliancy, fine color, and free from unightly or dangerous defects should be considered. Diamonds of poor brilliancy and color are plentiful and grow more so every year. The supply of light brown and dull white diamonds is far in excess of the demand and they have no future as investments. The one sure way to buy a diamond that will always remain a good investment, one that can always be sold for what it cost you, is to buy of a dependable established local dealer in whom you can have confidence.

"A Hot Time In The Old Town"

THE days are warm enough right now to justify keeping ice in the refrigerator and you know that pretty soon they're going to be HOT ENOUGH to make a refrigerator a 24-hour-a-day necessity.

A Gas Range Reminder

WE'RE selling GAS RANGES these days at an unprecedented rate. It certainly was fortunate that we had such an excellent stock. We still have a good supply of that "special design" PENINSULAR that we ordered with the Chicago Gas Co.'s order. You really ought to see these. They're excellent RANGES, priced with both reason and modesty.

We're about as well fixed in the matter of refrigerators as we are on GAS RANGES, and that means that our stock is TOP NOTCH, WIDE and VARIED.

Most every kind, from a little one cylinder "ice box" to a big, beautiful porcelain lined hotel size—a size and a value to exactly fit your requirements and your idea of proper price.

And it isn't too EARLY to choose either. There's going to be a lot of demand this spring and early summer for good refrigerators. While our stock NOW is unusually large, we are not over enthusiastic about getting MORE to fill in our assortments when they become depleted. Anyway—Come in and see what we have to show. You might just as well have the one you want now as later, for, as you know already,

your credit is O.K. Foutz-Moore Furniture Co.
